Section 1: Instructions to Offerors

1. **Introduction:** The FAIDA Project is a USAID program implemented by Chemonics International in Afghanistan. The goal of the FAIDA is to assist the Government of the Islamic Republic of Afghanistan and the private sector in developing the financial sector. FAIDA helps USAID's Afghan partners in building capacity to deliver finance where it can be used most effectively, and in developing a legal framework and market infrastructure in which financial sector institutions and their business partners create value that provides growth and employment opportunities for all Afghans. FAIDA also directly assists Afghan women entrepreneurs providing specially targeted business development, training, and mobile money activities. As part of project activities, the FAIDA requires the **expendable supplies** see section 3. The purpose of this RFQ is to solicit quotations for the mentioned item.

Offerors are responsible for ensuring that their offers are received by Chemonics in accordance with the instructions, terms, and conditions described in this RFQ. Failure to adhere with instructions described in this RFQ may lead to disqualification of an offer from consideration.

2. **Offer Deadline and Protocol:** Offers must be received no later than 4:30pm local Kabul time on May 04, 2016 by email or by hard copy delivery to the FAIDA office. Any emailed offers must be emailed to procurement@faida.af, any hard copy deliveries must be stamped and signed by the offeror's authorized representative and delivered to the FAIDA Office located at the Baron, Hawa Shenasi Road, Khawja Rawash, Kabul, Afghanistan.

Please reference the RFQ number (RFQ-FAIDA-16-77) in any response to this RFQ. Offers received after the specified time and date will be considered late and will be considered only at the discretion of Chemonics.

3. **Questions:** Questions regarding the technical or administrative requirements of this RFQ may be submitted no later than 4:30pm local Kabul time on May 2, 2016 by email to procurement@faida.af. Questions must be submitted in writing; phone calls will not be accepted. Questions and requests for clarification—and the responses thereto—that Chemonics believes may be of interest to other offerors will be circulated to all RFQ recipients who have indicated an interest in bidding.

Only the written answers issued by Chemonics will be considered official and carry weight in the RFQ process and subsequent evaluation. Any verbal information received from employees of Chemonics or any other entity should not be considered as an official response to any questions regarding this RFQ.

4. **Specifications:** Section 3 contains the technical specifications of the required items. All commodities offered in response to this RFQ must be new and unused. In addition, all electrical commodities must operate on 240V, 50Hz.

Please note that, unless otherwise indicated, stated brand names or models are for illustrative description only. An equivalent substitute, as determined by the specifications, is acceptable.

5. **Quotations:** Quotations in response to this RFQ must be priced on a fixed-price, all-inclusive basis, including delivery and all other costs. Pricing must be presented in Afghani, Offerors must assess and include in their total cost of proposal the Business Receipt Tax (BRT) or any other tax required by Afghanistan income tax law. Chemonics will not allow an awarded entity to add taxes (including BRT taxes) or any previously unanticipated costs to the budget after an award is made.

Pursuant to Article 72 of the Afghanistan Income Tax Law, Chemonics is required to withhold taxes from the gross amounts payable to all Afghan subcontractors. In accordance with this requirement, should an award be made to a successful offeror and an agreement is successfully negotiated with that offeror, Chemonics will withhold two percent (2%) tax from the entity's gross invoices if the entity is in possession of an active business license issued by any of the following entities - the Ministry of Commerce and Industry, Afghanistan Investment Support Agency (AISA), Ministry of Information and Culture, Ministry of Education or Ministry of Public Health - at the time the awarded entity submits invoices for payment, and the invoices are successfully reviewed and approved by Chemonics. If the entity provides services contrary to approved by-laws or it does not possess a business license issued by any of the aforementioned public entities, but possesses licenses issued by other local or national government entities or municipalities, Chemonics will in this case withhold a seven percent (7%) fixed tax on the gross amount payable to the awarded entity, subject to Chemonics' review and approval of the subcontractor's invoices. In either case, this tax is withheld by Chemonics from the gross amount payable to the awarded entity and subsequently remitted to the Ministry of Finance. Chemonics will maintain records of all of such remittances.

6. Offers must remain valid for not less than thirty (30) calendar days after the offer deadline. Offerors are requested to provide quotations on their official quotation format or letterhead; in the event this is not possible, offerors may complete the table in Section 3.

10. **Taxes and VAT**:

The agreement under which this procurement is financed is not exempt from the payment of taxes, VAT, tariffs, duties, or other levies imposed by any laws in effect in the Cooperating Country. Therefore, offerors must include taxes, VAT, charges, tariffs, duties and levies in accordance with the laws of the Cooperating Country.

11. **Eligibility:** By submitting an offer in response to this RFQ, the offeror certifies that it and its principal officers are not debarred, suspended, or otherwise considered ineligible for an award by the U.S. Government. Chemonics will not award a contract to any firm that is debarred, suspended, or considered to be ineligible by the U.S. Government.

12. **Evaluation and Award:** The award will be made to a responsible offeror whose offer follows the RFQ instructions, meets the eligibility requirements, and meets or exceeds the minimum required technical specifications, and is judged to be the best value based on a lowest-price, technically-acceptable basis.

Please note that if there are significant deficiencies regarding responsiveness to the requirements of this RFQ, an offer may be deemed “non-responsive” and thereby disqualified from consideration. Chemonics reserves the right to waive immaterial deficiencies at its discretion.

Best-offer quotations are requested. It is anticipated that award will be made solely on the basis of these original quotations. However, Chemonics reserves the right to conduct any of the following:

- Chemonics may conduct negotiations with and/or request clarifications from any offeror prior to award.
- While preference will be given to offerors who can address the full technical requirements of this RFQ, Chemonics may issue a partial award or split the award among various suppliers, if in the best interest of the FAIDA Project.
- Chemonics may cancel this RFQ at any time.

Please note that in submitting a response to this RFQ, the offeror understands that USAID is not a party to this solicitation and the offeror agrees that any protest hereunder must be presented—in writing with full explanations—to the FAIDA Project for consideration, as USAID will not consider protests regarding procurements carried out by implementing partners. Chemonics, at its sole discretion, will make a final decision on the protest for this procurement.

13. **Terms and Conditions:** This is a Request for Quotations only. Issuance of this RFQ does not in any way obligate Chemonics, the FAIDA Project, or USAID to make an award or pay for costs incurred by potential offerors in the preparation and submission of an offer.

This solicitation is subject to Chemonics’ standard terms and conditions. Any resultant award will be governed by these terms and conditions; a copy of the full terms and conditions is available upon request. Please note the following terms and conditions will apply:
